As a returning exhibitor, you are given priority on your site location. However, because of scheduling, you must return your registration by August 15th to be guaranteed your same site. If you need to make your site larger, you may be moved to a new location because of other returning exhibitors.

PLEASE NOTE: If you currently are in a site with electricity or a wall site in the gym and do not require it, we may have to relocate you due to the limited number of sites with these features and the demand for those sites. We will do our best to keep you in the same area if possible. Please be advised, returning vendors are given priority on site locations. There are only a few sites in the gym with electricity. If you require electricity, we may have to place you in the hallway. Remaining sites will be filled on a first-come, first-serve basis.

Site size is **10 ft. wide x 6 ft.** Tables are available for an additional fee of \$5.00 each (**1 table per site**). The tables we provide are 8 ft. long. This is to allow space around your site for in & out access, please do NOT fill this with displays and/or merchandise. Tables are first-come, first-serve because the school has a limited number available.
